

SUPPLE — — MENTARY INSURANCE INFINITY

UNIQA's INFINITY supplementary insurance, combined with LAMal basic insurance, optimizes health insurance and guarantees best benefits at the most competitive price.

With INFINITY, all benefits are combined into one product:

- access to private clinics worldwide;
- dental and optical insurance;
- alternative medicine;
- 24/7 assistance for your trips, including trip cancellation fees, luggage...

INFINITY INSURANCE COMPLETES THE MANDATORY INSURANCE LAMal

LAMal basic insurance covers a large part of everyday care. It is possible to benefit from direct payment and avoid advancing the costs on a simple presentation of the LAMal card to the service provider.

INFINITY: PEACE OF MIND

Invoices relating to supplementary insurance benefits can easily be transmitted using the application myUNIQA.ch

Regarding hospitalization

The private supplement not covered by the basic LAMal insurance is paid directly by UNIQA to the service providers. These include mainly the costs of the private room, the doctor's fees and the anesthesiologist's fees.

→ You will find UNIQA's care network with preferred conditions in your myUNIQA.ch space.

Cover abroad

Need urgent care during a trip abroad?

With the optional assistance cover, you will benefit from worldwide assistance 24/7 including:

- direct coverage and advance;
- on your treatment costs;
- repatriation;
- security assistance in the event of a crisis;
- travel assistance.

A planned treatment abroad?

INFINITY provides for a voluntary treatment abroad, worldwide, excepted the USA.
